

SHIPPING POLICY.

We ship all over India and try to get the best rates for our customers. Orders placed Monday through Saturday IST will be processed on the same time or following business days and will be shipped within three business days of order placement if the product(s) is(are) available in our inventory/warehouse. If you want to inquire about the delivery time of a product, do not hesitate to contact us prior to placing your order. Our shipping charges vary as per the order value and delivery location.

Shipping charges for your order will be calculated and will be displayed at checkout. Our product delivery timeline is 4-9 days maximum. If you have any further questions, please contact us at: support@embertote.com
